U.O. 39 Dew Mr. R.IV

363/47 27.1.47

U.O.No.100/S.P.F. dated the 25th January 47.

9) Returned with Compliments.

10) The portion contributed by Government and the interest thereon may be credited to Government and the party's contribution with interest thereon, may perhaps be refunded to the party if he so desires.

11) If the employees are allowed to transfer the amount at their credit to the State ~~RXXVI~~ Provident Fund with the option of continuing as optional subscribers, they will have to contribute at the minimum of 6¼% of salary (i.e., one anna in the rupee) and subject to the maximum of 15 5/8% of salary (i.e.,

Rd in S.P.F. Section on 29/11

NOTE—Contn. Sheet

2½ annas in the rupee). But if the amount at the credit of the employees is transferred to the State Provident Fund and the employees are allowed to discontinue the monthly contribution thereon, Government has to pay interest at a heavy rate of 3½% per annum to the employees, till they withdraw finally or until their retirement. It is better that the ~~xxx~~ accounts are closed once for all since it involves a closure of a debt head and the amounts are likely to be of great help to the employees themselves under present conditions.

12) With regard to the Government share to be credited to Government, the Transfer adjustment to be effected is to credit Government contribution with interest thereon to the "Electrical Department pension fund" and to debit to "Electrical Department Provident Fund."

13) The Auditor, Electrical Department, points out in letter No.4387 dated 23-12-46, that the constitution of "Electrical Department Pension Fund" does not seem to be serving any specific purpose and therefore ~~xx~~ it may be closed finally to General revenues as suggested by the Special Financial Officer. The question of closing the above head of account may perhaps be taken up before the Transfer adjustment is effected.

Comptroller.

~~Secretary to Government.~~

1763 - 2W

even for the period ending June 1946. He has also stated that interest upto 1-9-1947 is payable in respect of cases which are refunded after 1-9-47 and in respect of other accounts settled earlier interest will be allowed only upto 13-2-47.

28) It is not clear as to why the work which should have been kept current, has been allowed to fall into arrears, when a certain staff was already there for the work. The other statement of the Auditor in re payment of interest is also not correct as interest will have to be allowed until the day of settlement of the accounts.

29) Submitted for orders.

30) It is seen, owing to the arrears in E.P.D.F. work in audit office, refunds ordered per G.O. of 13-2-47 cannot be effected till end of Aug 1947. Provision for interest in relative bills of payees ~~have~~ deferred has to be made and C.G.E. requests accordingly provision upto 1-9-47.

31) The proposal involves an extra cost of about Rs 31,600/-.

32) In view of the extra cost involved it appears very desirable reforms are made as

NOTE- Contn. Sheet

expeditiously as practicable and [illegible] may perhaps be left as the date to be made at the discretion to avoid payment of [illegible] interest. If necessary the Public may be allowed extra time to work out and [illegible] claims from the larger date

3) [illegible] this, accepted by Public Works can be drawn from date and [illegible] periods mentioned

4) As each point in consideration if claims as mentioned should not be made with due notice, as they already every month, instead of immediately but in simultaneous payment to be during or after Sept 47.

for
12/8/47

Secy)

5) I can now understand the Auditor's statement that interest will be paid only upto 1st Sept. 1947 even to those who are to be paid six after that date. If the principle of paying interest is accepted (as the parties are legitimately entitled to such interest), it would perhaps be more equitable to allow the pensionable employees interest on their provident fund accounts till at least the 1st of the month during which

Serial No.

D. 1963 Elect

the refund is going to be effected. This may be necessary in the view of the fact that neither the C.E.E. nor the Auditor is able to gauge how long it is going to take to settle up all the claims.

54) The Auditor [illegible] has explained at [illegible] deficiencies [illegible] The Financial Secretary [illegible]

5) The Auditor says that though the Department may be ready to refund the amount and notify the same to the parties, the latter themselves may postpone to take payment and claim upon interest under the Government order.

5) This difficulty would be overcome, if the Department, while notifying the refund to the parties may give them a reasonable time by which they have to claim the amount failing which no interest will be allowed on the amount after that date. The intimation may be communicated to the party direct by post a copy of the same being sent through the proper channel to avoid delay in the forwarding of the claim by the party through the proper channel. Interest may have to be given upto the date of expiry of the period mentioned in the notice, or upto the date of drawing by the party whichever is earlier.

28/6/49

5) The Cash and Mail's system is to pay salary up to the working month's end of retirement. Where over a case may be decided from the income tax point of view, if however sums collected might be that the employees should be denied salary for the period between the end of the month and the retirement

GOVERNMENT OF MYSORE
ELECTRICAL DEPARTMENT

—OFFICE OF THE CHIEF ELECTRICAL ENGINEER

Bangalore, 22nd October 19 46.
(MYSORE, S. INDIA.)

28.10.46

SECRETARY TO GOVERNMENT * P.W.E. ELECTL & RYS. Date 29/10

P.S.(19)46 SEC(A) 737 29.X.1946

The Secretary to the Govt. of Mysore,
Electrical Department,
BANGALORE.

Sir,

Subject:- Employees contribution to Electrical Department Provident Fund.

Adverting to G.O.No.EDS.898-901/Elecl.320-45-2 dated 9-10-46, conveying sanction of Government extending the benefit of pension to all the employees of the Electrical Department, Regular and Maintenance, I have the honour to state that the scheme of Electrical Department Provident Fund hitherto in vogue in this department stands abolished automatically. Each employee is required to insure his life in the official branch of the Mysore Government Life Insurance Department as per Art.293 of M.C.A.C., Vol.I, or enroll himself as a compulsory subscriber to State Provident Fund as per Art.295(b) of M.C.A.C., Vol.I. Action is being taken in this direction with the concurrence of the Auditor, Electrical Department.

With regard to the accumulated amount in the Electrical Department Provident Fund Account, it consists of two parts - the portion contributed by the employees with interest thereon and the portion contributed by Government with interest thereon. I therefore request you to kindly obtain approval of Government to credit to Government the portion contributed by Government and the interest thereon, and the party's contribution with interest thereon may be permitted to be refunded to the party, if he so desires, or the employees be allowed to transfer the amount at their credit to the State Provident Fund with the option of continuing as Optional Subscribers, i.e., the party be permitted to transfer the amount at his credit to the State Provident Fund and allowed to retain it thereon until his retirement, Government being pleased to allow him interest thereon as usual, and the party having the choice either to contribute every month

P.T.O.

towards the State Provident Fund any amount he wishes to do so or discontinue the monthly contribution thereon.

As necessary early action has to be taken with regard to the disposal of this Fund, very early orders of Government may kindly be obtained and communicated.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Electrical Engineer.

MH-CSC.

GOVERNMENT OF MYSORE,
ELECTRICAL DEPARTMENT.

THE ELECTRICAL AUDIT AND ACCOUNTS OFFICE,

Bangalore, 23rd Dec. 1946.
(MYSORE, S. INDIA.)

Ref:- U.O. File from the Financial Secretary to Government re: grant of Pension Benefits and the Refund of party's Contribution to E.D.P.F.

Returned to the Asst. Comptroller, T.A.D.-B(ii) Section:

1. A sum of about 7½ lakhs being the amount contributed by Government and the Interest accrued thereon will have to be withdrawn from the Electrical Dept. Provident Fund and credited to Government consequent on the sanction of the Pension Scheme to all the employees of the Department as per EDS. No.898-901/Elec.320-45-2 dated 9-10-1946.

2. The Transfer Adjustment to be effected, is to credit the Government Contribution together with the accrued Interest thereon to the "Electrical Department Pension Fund" by debit to "Electrical Dept. Provident Fund" as ordered by Government, in G.O. No.1203 dated 11-11-1941.

But, as already pointed out in this office letter No. 361 dated 20th July 1945 (copy enclosed for ready reference) the constitution of the Fund, viz. "Electrical Department Pension Fund" does not seem to be serving any specific purpose, and may therefore be closed finally to General Revenues, as suggested by the Special Finance Officer. As no orders have so far been passed in the matter inspite of repeated Reminders from this office (vide this office No. 5054 dated 14-3-1946), the question may now be taken up and necessary sanction of Government obtained to close the above head of account, and adopt the procedure suggested by this office, in the letter under reference.

AUDITOR,
Electrical Department.

U.O. No.361 dated 20-7-45, from the Auditor, Electrical Deptt., Bangalore, to the Asst. Comptroller, Pension Section.

The Fund Head "Electrical Dept. Pension Fund" was constituted, according to directions contained in G.O. No.EDS.1203 dated 11-11-41, by crediting to the Fund the Government Share of Contribution to Provident Fund together with the accumulated interested thereon at credit of such of the employees as were allowed pension benefits. An annual contribution at 1/8th of the pay of these employees as on 1st July of each year is also being credited to this account as per G.O. No.EDS.4331-35 dated the 29th June 1942. The actual pension charges paid from time to time are being debited against the above credits.

2. As the Special Finance Officer says, the constitution of this Fund does not seem to be serving any definite purpose. It might, therefore, as he suggests, be closed finally by crediting the balance remaining at credit of the Fund to General Revenues. The future contributions towards Pension payable by this Department, on account of the Pensionable Employees of the Department who are still in Service, will be credited to the General Revenues under "XI Pensions and Allowances" under a separate minor head "Contribution from the Electrical Department towards Pensions payable to its employees". The payments of Pension to the employees of this Department may be charges to the General Revenues under "15 Pensions and Allowances - 2 Superannuation and Retired Allowances". This will also avoid the need for the transfer of the charges of this Department as and when pensions are paid. In this connection reference is invited to the Comptroller's letter No.Spl.281 dated 1-9-1941, addressed to the Government (copy of which is herewith enclosed for ready reference) wherein the above procedure of accounting was suggested by him at the outset.

"Copy"

for AUDITOR,

ELEC. & RAILWAY DEPTS.

To
The Secretary to Government,
Electrical Department,
Bangalore.

1963 14.4.47

Sir,

Refund of Employees' Contribution to Electrical Department Provident Fund.

Adverting to Government Orders No.EDS.2230-32/Elecl.320-45-12 dated 13-2-1947 and Fl.No.6096-981/S&A 107-46-3 dated 14-2-1947 authorising the repayment of employees' contribution to Electrical Department Provident Fund to such of the employees of Electrical Department that elect to accept the benefits of pension exercising the option allowed by Government, I have the honour to state that the employees that choose the benefit of pension have to be paid their contribution to Electrical Department Provident Fund together with interest up to 13-2-1947. However, as considerable time is necessary to close a large number of E.D.P.F. Ledger Accounts and arrange for repayment, the employees stand to lose the benefit of interest on the amounts refundable to them for the period between 13-2-1947 and date of repayment. This position results because it is inadmissible to allow interest on the E.D.P.F. Accounts beyond the date (viz., 13-2-1947) of Government Order authorising the repayment. Hence the parties will be put to loss for none of their faults as they stand to lose the interest that they would otherwise procure by investing the amount refunded.

It is therefore deemed necessary to allow interest on the refundable balance of E.D.P.F. for some more time. An extract of letter No. 8322 dated 7-3-1947 (Sub-paras 3 and 4 to Para 1) received from the Auditor, Electrical Department, in this behalf is herein enclosed for the information of Government.

Under the circumstances, I would request you kindly to obtain

(P.T.O.)

approval of Government to permit interest on the refundable balance of E.D.P.F. at credit of each party up to 1-9-1947 so that adequate time may be available for the Auditor, Electrical Department, to close the Electrical Department Provident Fund Accounts and arrange for repayment. The extra cost involved in this proposal is about Rs.31,600/- and will be suitably provided for in the Budget Estimate for the next official year.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Electrical Engineer. 11/4

AUDITOR'S REMARKS.

I agree to the above proposal with the following remarks:-

Interest up to 1-9-1947 is payable in respect of cases which are refunded after 1-9-47 (the latest date). In respect of refunds arranged earlier than 1-9-47, interest will be allowed up to 13-2-47, the date of the G.O. ordering refunds. As Government in their Order No. 7501-7503 dated 9/4/47 have sanctioned extra staff of one IInd Superintendent and two 1st Grade Clerks necessary for arranging refunds, this work will be expedited and be arranged before 1-9-1947 in as many cases as possible. Extra cost involved to Govt. on account of interest payable, will be minimised.

AUDITOR,
ELECTRICAL DEPARTMENT. 14/4/47

Extract from letter No.8322 dated 7th March 1947 from the Auditor, Electrical Department, Bangalore, to the Chief Electrical Engineer to the Government of Mysore, Bangalore.

Refund of Employees' share of E.D.P.F. with interest.

---

x x x x x

3) Further, the work in the E.D.P.F. Section of this Office has fallen into heavy arrears on account of inadequate staff, and the individual accounts have not been closed for the year ending 30th June 1946. This has been duly reported to the Comptroller and sanction for the needful additional staff obtained. Necessary steps have been taken to get the arrears cleared by the end of June 1947, after which date only the work of refunds can be taken up. Further, the work of closing the accounts and refunding the balances at credit of the several Accounts has thrown considerable extra work on this office, for coping up which, extra staff is being asked for. After receipt of sanction thereto, the Accounts will be closed and the amounts refundable worked out by about the 1st September 1947, whereafter only, this office will be in a position to arrange for the refund of the parties' share of Contributions to E D P.F. In the meanwhile, the amounts refundable as on 1st September 1947 will be intimated periodically as and when the figures are worked to facilitate preparation of the necessary Bills and their presentation to the Audit Office through the Chief Electrical Engineer duly countersigned by him on or after 1st September 1947.

4) Under the above circumstances, interest up to 1st September 1947 has to be allowed on the amounts at credit of each Member. Sanction of Government may kindly be obtained for this. Until the above action is taken, no individual applications for refund may be sent.

Needful instructions may be kindly issued in the matter to the respective Sectional Officers.

A.N.

Letter No.9894 dated 20-5-1947 from the Auditor, Electrical Department, Bangalore, to the Chief Electrical Engineer, Bangalore.

Calculation of interest on employees' share of contribution to E.D.P.F.refundable to those who have elected to come under the Pension Scheme.

With reference to G.O.No.3899/Elecl.320-45-15 of 15/5/1947, I have the honour to state that calculation of interest on E.D.P.F. to the end of the preceding month of payment ordered therein involves working difficulties as follows:-

The amounts refundable are worked out in the Audit Office, after calculating interest, and intimated to the particular Sectional Officer under whom the official is working. The Sectional Officer notifies the amount refundable to the official, gets a bill from him and submits it to the counter signing officer (the Chief Electrical Engineer, or the Auditor, as the case may be). Thereafter, it is sent for audit and issue of cheque. Thus there will be an interval of about 15 to 20 days between the date of intimation of amount refundable and date of issue of cheque for the bill received in the Audit Office. The month of payment cannot therefore be foreseen as the bill passes through three offices before issue of cheque and as also the officials may postpone preferring the claim with the expectation of getting more interest. Thus though the Department may be ready to refund the amount, having worked out the amount refundable and notified the same to the parties, the parties themselves may postpone to take payment, and claim more interest under the Government Order.

This is a very modest estimate! R.

Therefore the amount originally worked out as refundable may have to be revised in cases where:-

1. the month of payment is different from that foreseen
2. the parties delay to take payment.

This recalculation of amounts due, after the month of payment is exactly known will no doubt increase work alround, as there will be many supplemental claims on account of additional interest due.

The more practical working rule would be to calculate interest to the end of the preceding month of intimation of amount refundable to the Sectional Officer. The fact that the amount refundable is notified to the party by the Sectional Officer would mean that the Department is ready to make payment and this is to be the deciding factor in fixing the period for which interest is due.

I would therefore request you to kindly obtain modified orders of Government in the matter.
